# Mark Schutera

Prof. Dr.-Ing. Artificial Intelligence

*04.2026 – present*
DHBW (Cooperative State University)
Ravensburg, Germany

Google Scholar h-index 10

*01.2025 – present*
Schutera UG
Remote, Germany

My GitHub profile

Teaching and research in artificial intelligence with a focus on machine learning, deep learning, computer vision and embodied AI. Responsible for student development, lecture design and supervision of industrial cooperations in applied AI.

## Managing Director

Consulting on AI vision and strategy, prototyping and product development, workshops and key-notes.

## *Prior Experience*

---

### Head of Industrial AI Global Operations

*02.2024 – 03.2026*
ZF LIFETEC
Remote, Germany

Strategy • MLOps & LLMOps • Industrial Automation • Scaled Infrastructure • Agile Project Management • Vision

Built and led a global team of AI Architects and MLOps Engineers. Responsible for global AI operations strategy, from organizational structure, vision, and adoption, through full-stack AI architecture for AI agents and centralized MLOps platforms.

AI Strategy Clip on my LinkedIn

### Team Lead Autonomous Driving Software

*02.2020 – 02.2024*
ZF Friedrichshafen AG
Friedrichshafen, Germany

AD Software Validation • iSAQB Software Architect • Leadership in distributed Teams • UX & UI • AI Product Management • Scrum PSPO II

Led a software engineering team; Product Owner of the perception ML stack and validation tooling. Drove development of ZF's high-performance ML compute cluster.

50+ patents with the DPMA

### Machine Learning Engineer

*09.2017 – 01.2020*
ZF Friedrichshafen AG
Friedrichshafen, Germany

*08.2018 – 05.2019*
ZF Innovation Hub
Sunnyvale, USA

Deep Learning & Computer Vision • Python • PyTorch & Tensorflow • B1 Test Driver License BMW • ISTQB Software Tester

R&D of automotive vision algorithms in cooperation with KIT (PhD-affiliated). Focus on continuous integration and unsupervised domain adaptation of deep learning models. Organised the ZF ML Colloquium; supervised student research teams.

10-month research stay at the UC Berkely Deep Driving Consortium.

English ●●●●○

## Junior Research Fellow Deep Learning

Rapid Prototyping • Python & TensorFlow • Algorithm Development • Neural Networks • Edge AI

3-month R&D within SAP's deep learning team. Development and training of neural networks for video and time-series analysis; prototyped and prepared models for edge devices.

*06.2017 – 08.2017*
SAP Israel Innovation Center
Tel Aviv, Israel

Russian (A1) ●○○○○

Stack Overflow >10k reps

## Student Researcher Robotics

Robotics • LBR iiwa Cobot • ROS • OpenCV • Unsupervised Learning & Active Vision

8-month internship and thesis work[1] within the machine learning group. Research and development of unsupervised object recognition and active vision on the KUKA Cobot LBR iiwa.

*10.2016 – 05.2017*
KUKA Robotics Corporate Research
Augsburg, Germany

[1] Mark Schutera et al. De102018209220a1 method and system for handling objects using a robot (patent), 2019

---

## Dr.-Ing. (PhD)

Summa cum laude

Dissertation on unsupervised domain adaptation[2] for cognitive perception systems. Programme committee for CVPR and NeurIPS workshops. KHYS Networking Grant 2020 (ETH Zurich); ZF Excellence Award 2019; KI-Newcomer 2019 (Top 50).

*09.2017 – 09.2023*
Karlsruhe Institute of Technology

[2] Mark Schutera. *A Concept for Deployment and Evaluation of Unsupervised Domain Adaptation in Cognitive Perception Systems.* PhD thesis, 2023

## M.Sc. Cognitive Technical Systems

Focus on cognitive technical systems and robotics[3]. Instructor for mechanical design (KIT/IPEK); research assistant for image and data analysis (KIT/IAI); KIT Award for Outstanding Student Research; Hans Voith Award.

*08.2015 – 05.2017*
KIT

[3] Mark Schutera et al. Automated phenotype pattern recognition of zebrafish for high-throughput screening. *Bioengineered*

## B.Sc. Mechanical Engineering

Focus on control information technology, computer vision and automation.

*09.2011 – 08.2015*
KIT

*09.2013 – 05.2014*
KTH Royal Institute of Technology
Stockholm, Sweden

Two-term Erasmus Exchange. Head of the German Language Café at KTH.

Swedish (B1) ●●●○○

*08.2010 – 07.2011*
German Red Cross (DRK)
Hohenlohe, Germany

Paramedic. Social year in emergency-medical and technical rescue. High-pressure decision-making.
